Authorities,	including th	e Declaration	of Sergio	Traversa,	together	with the	e exhibits,	and for	good
cause showr	n:								

THE COURT HEREBY FINDS THAT,

- 1. Relmada is likely to succeed on the merits because the False Solicitation contains material misstatements and omissions;
- 2. Relmada and its stockholders will suffer irreparable harm if Defendants are not enjoined from continuing to disseminate false and misleading proxy materials and required to retract or correct those materials;
- 3. The balance of hardships favors the issuance of a temporary restraining order and preliminary injunction here because the right of Relmada's stockholders to vote for qualified directors will be directly impacted, and an improper vote will hold up the election of qualified directors resulting in uncertainty over the corporate governance of the Company;
- 4. The public interest will benefit from granting a temporary restraining order and preliminary injunction because it prevents an uninformed shareholder vote; and
- 5. The Court grants this relief to Relmada without notice to Defendants because the harm suffered by Relmada as a result of Defendants' action is continuing and immediate.

THEREFORE, IT IS HEREBY ORDERED THAT, pending a full trial on the merits:

- 1. Defendants shall be enjoined from continuing to disseminate false and misleading proxy materials.
- 2. Defendants immediately must retract or correct its false and misleading proxy materials.
- 3. If Defendants choose to correct their false and misleading proxy materials, they immediately shall:
- Disclose that they missed the advance notice deadline for stockholders to (a) validly nominate Relmada directors at the 2015 annual meeting;
- (b) Disclose that there are only two seats up for election on Relmada's Board at the 2015 annual meeting;

(c)	Disclose that the Board of Directors has the sole authority to set the size of
the Board; and	

- (d) Disclose that the corporate actions taken by Relmada's current Board and stockholders that Defendants' label as "entrenchment" all were authorized under Relmada's articles of incorporation, bylaws, and Nevada law.
- 4. The opposition brief, if any, to the Motion For Temporary Restraining Order Without Notice and Preliminary Injunction is due on December 15, 2015, and the response brief, if any, in support of the Motion For Temporary Restraining Order Without Notice and Preliminary Injunction is due on December 18, 2015.
- 5. The hearing on the Motion For Temporary Restraining Order Without Notice and Preliminary Injunction is set for December 22, 2015 at 2:00 p.m.
- A nominal bond of \$500.00 shall be required because the evidence indicates that 6. Defendants will only suffer, if at all, minimal damage by the issuance of this temporary restraining order and preliminary injunction.
